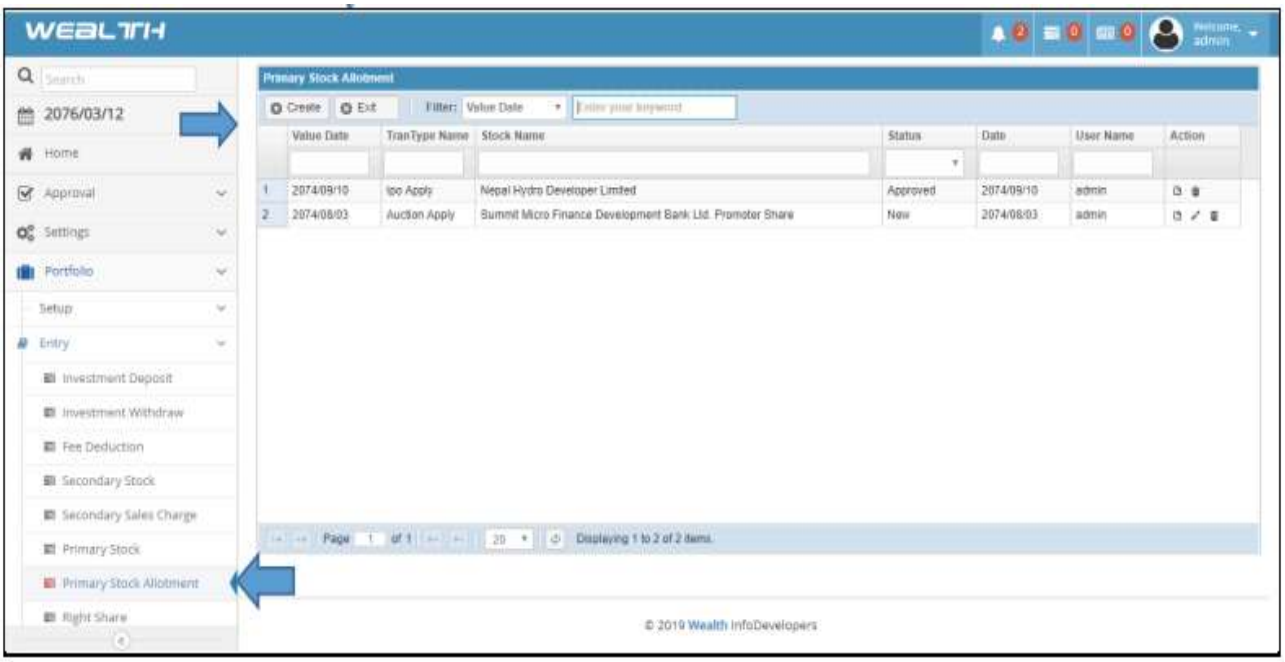
Primary Stock Allotment - User Manual

Primary stock Allotment interface shows the allotment of primary stock apply for the client. After the allotment of previously applied primary stock, an admin or PMS manager has to add the allotment data on portfolio.

Here the "Action" botton has the option of view, edit and delete but Approved form is not editable whereas non-approved form is editable.

An admin or PMS manager can create the Primary Stock Allotment by clicking on the "Create" button on the top left side of the interface.



After clicking on "**Create**" button, the screen for the Primary Stock Allotment create would appear and the admin should fillup the form.

*Value date is the current date.

*Trans Type Name is the types of primary instrument applied; like : IPO, FPO and Auction. Here an admin or PMS manager has to select from the given pop down menu and it will automatically fill Stock Name.

*Fiscal Year Alias is the year in which the company's stock is selling or applying.

*Stock Name is the name of the company which stock was applied.

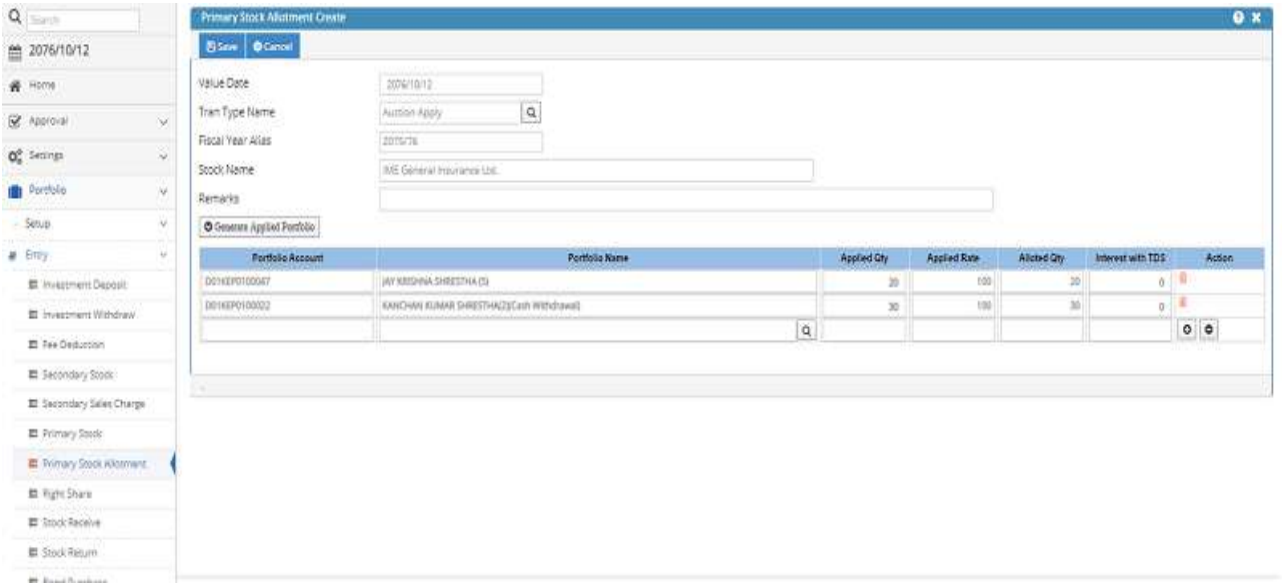
*Remarks can be use if the extra information available than this above information.

*Portfolio Name is the client Name and it comes automatically on the cloumn. Portfolio Account appear automatically with the portfolio name.

*Applied Qty is the quantity apply on the primary stock. Applied Rate is default there according to primary stock apply. Alloted Qty is the number of share the client get on allotment.

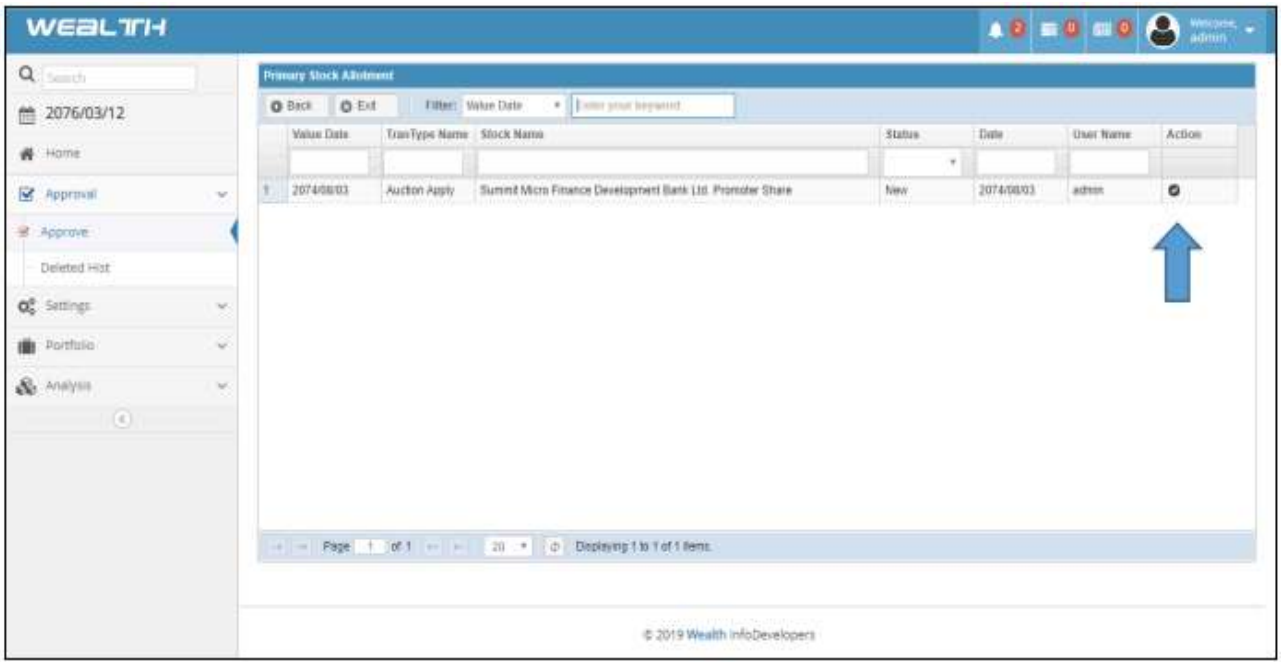
The system will automatically display all the portfolio which applied IPO. If there was any portfolio deleted mistakenly then user can search that again.

After the form filled correctly then click the **Save** button.



After Saving the form; go to the **Approval** section below the Home and click on **Approval** and then click on **Approve**. And select the **Primary Stock Allotment.**

After the selection of Primary Stock Allotment; the screen for the Primary Stock Allotment will display then Click on the "Action" button on the right side of the displaying screen.



After clicking on Action; The screen for the Primary Stock Allotment Approve is displaying. Clicking on **Approve** button, the forms filled previously on the Create Screen will Approve and the Primary Stock Allotment will create.
